Thanks to generous support like yours, Vista Center helps more than 2,200 visually impaired people live life to the fullest each year. There are approximately 100,000 people in our service area with moderate to severe vision loss. This number could double by 2030!

With **your** help, we are improving the quality of life for as many of these individuals as we can. Thank you for giving the gift of independence.

**To discuss planned giving, please see the back flap for more information.**
